CODE OF CONDUCT

- Every member shall abide by the objectives and rules of the Association
- Members will abide by the Swiss, federal and cantonal legislation
- Members will always work solely in the best interest of the clients by whom they are retained
- Members will not misrepresent themselves, the service which they offer, any subject property, or the Association
- Members will ensure that each client is aware of the terms and conditions upon which the services are being supplied
- Any alleged breach of the rules of conduct will be evaluated by the Executive Committee. The decision will be binding.
- Members will treat with confidence all information supplied by clients
- Members may not accept any commissions, payments or other inducements offered by any third party as a result of transaction undertaken on behalf of a client without the prior knowledge and agreement of that client
- A member shall not seek business or conduct business by improper or illegal means
- All members will indemnify and hold harmless the Association against any claims arising from their activities.
- Members shall not misrepresent their class of membership nor will they claim membership when their membership has ceased.
- Members engage themselves not to be involved in any financial links with a third party (i.e. real-estate agencies)
- Members must not establish third party financial affiliation (i.e. real estate agencies).
